#### **ACADEMIC DETAILS**

Year	Degree/Exam	Institute	GPA/Marks(%)
Sep, 2020 - Present	B.TECH in Computer Science	Graphic Era University Dehradun	8.53/10.0
2020	$12^{th}$ , C.B.S.E	D.P.M Public School	91.60 %
2018	$10^{th}$ , C.B.S.E	D.P.M Public School	90.20 %

## **PROJECTS**

- Stock Price Prediction (May,2023 Jun,2023): Developed a machine learning project that utilizes historical data and diverse analytical methods to predict future stock price movements. This innovative solution aims to empower investors with informed decision-making capabilities in the dynamic and unpredictable financial market. By leveraging advanced algorithms and historical patterns, my project offers a valuable tool for navigating the complexities of stock trading.
- Face Recognition Attendance System (Jan,2023 Feb,2023): The Face Recognition Attendance System employs facial recognition technology to automate attendance tracking. By analyzing unique facial features, it offers an efficient solution for attendance management, replacing manual methods. This system enhances security and accuracy, reducing errors and impersonation risks. Its real-time identification capability makes it valuable for various sectors, from education to corporate environments, streamlining processes and ensuring reliable attendance records.
- Twitter Sentiment Analysis (Oct,2022): By utilizing natural language processing and machine learning techniques, it involves analyzing tweets from Twitter users to determine the sentiment behind their messages, whether positive, negative, or neutral, provide valuable insights into public opinion, brand perception, and social trends based on the sentiment expressed in tweets.

## TECHNICAL SKILLS

- Languages: C++, C, JavaScript, MySQL, Java, Python.
- Web Development: HTML, CSS, Javascript, PHP.

# FIELDS OF INTEREST

- Web Development.
- Machine Learning.
- MySQL.

#### **STRENGTHS**

- Strong work ethic.
- Versatility.
- Dedicated.
- · Self-motivated.
